THIRD ASST. S COLLARY TO GOVT.
3-APR 1951
RURAL WELFARE DEPARTMENT

I enclose draft notification in duplicate under Sec.4(1) of the Land Acquisition Act, for the acquisition of 1.00 acre of land in R.S.No. 63/5 of Eachoor desom in Munderi amson, Chirakkal Taluk for the purpose of providing a burning and burial ground for the use of the communities eligible for help by the Harijan Welfare Department.

2. The cost of acquisition is estimated at about Rs.350/-. The entire amount will have to be borne by the Government as the Harijans to be benifited are agricultural labourers and are too poor to meet any part of the cost. The Expenditure can be met from the Budget allotment for 1951-52 under the head "47-Misc. Departments-a.Labour, II. Harijan Welfare Dept-D-Public Health-Construction and repair of well,s pathways and birial grounds."

3. There is no possibility for further land being required for the same purpose in the village in the near future.

4. The land is quite suitable for use as burning and burial ground. Even now it is used as such, but owing to objections from the owners and since the Harijan have no proper title to establish their claims in a Court of Law, acquisition under the L.A. Act has been resorted to as the last recourse. There are no tombs, buildings or structures on the land. It is arable land. There a few trees on it. They are not valuable. The site is accepta to the community. It has been inspected by the District Health Officer and approved as suitable for use as burning and burial ground.
